

MANIFESTING in FLESH
using the Most Powerful Law in the Universe, the
Absolute Power of God's Unceasing/Boundless Love

1. Ask God to align your mind and your body and your spirit with the Will and Essence of God in and for you.
2. Ask to be shown anything that is in opposition to the Essence and Will of God in you, and release it absolutely to God to be transmuted.
3. Know and feel that God's Will is Absolutely True. Breathe in God's Love until your body is completely clear of resistance; your body feels completely physically calm - and maybe "buzzing" with God's Delight.
4. Go deep within your Being and find your most intense yearning at this moment. Feel it with every cell, honour it with everything in you.
5. Invoke God's Essence and Light and ask that this yearning be strengthened and purified for the Highest Good and in line with God's Will, in the spirit of honourable cooperation with the Earth and all beings.
6. *In God's name, now command that this purified yearning be made manifest in your life. Feel and envision how it feels when this is so.*
7. Breathe. Let go and let God. Walk back into ordinary reality in faith.
8. Whenever there is any body-resistance or fear or any thoughts of impossibility, stop what you are doing and repeat this process.
9. Watch your yearning manifest. See it unfold. Give thanks. Praise the Universe's most lovingly tender and creative Power. Know it in you!
10. And as your yearning is starting to manifest beyond your own wildest dreams, share yourself, your gifts and your joy with others, supporting *their* dreams and visions.
